

# User Guide

This chapter contains a full description of all features and options available in the **Form.com/Key Survey** application.

 In order to provide you with a **user-friendly** design and **simplified** content access, we have organized the following chapter in the form of a **functionality oriented** table.

Forms & Surveys	My Account	Mobile Application
Contact Manager	User Administration	Data models
User Portal	Tasks	Plugins
Distribution	Reports	CSS Guide
HTML Guide	Dashboards	FAQ
