

# WorldAPP Help Center Home

This chapter contains a full description of all features and options available in the **Form.com/Key Survey** application.

 In order to provide you with a **user-friendly** design and **simplified** content access, we have organized the following chapter in the form of a **functionality oriented** table.

|                                     |                                     |                                    |
|-------------------------------------|-------------------------------------|------------------------------------|
| <a href="#">Forms &amp; Surveys</a> | <a href="#">My Account</a>          | <a href="#">Mobile Application</a> |
| <a href="#">Contact Manager</a>     | <a href="#">User Administration</a> | <a href="#">Data models</a>        |
| <a href="#">User Portal</a>         | <a href="#">Tasks</a>               | <a href="#">Plugins</a>            |
| <a href="#">Distribution</a>        | <a href="#">Reports</a>             | <a href="#">CSS Guide</a>          |
| <a href="#">HTML Guide</a>          | <a href="#">Dashboards</a>          | <a href="#">FAQ</a>                |
|                                     |                                     |                                    |
